CONGRATULATIONS

Dear Doeun Bunheng,

We are thrilled to extend an exclusive invitation for you to join the prestigious Techpreneur Bootcamp co-organized and co-funded by DICH I Academy and The Expert Leadership Innovation Exchange (ELIX).

The Techpreneur Bootcamp is an intensive, hands-on learning, 7-month long program, supporting students in mastering full-stack development, and AI & Data Science alongside business acumen. The training sessions will take place virtually on Wednesdays from 8pm-10pm and in-person on Saturdays from 8am-12pm (extending to full day on some occasions) commencing from early July 2026 to February 2027. Not only does this program provide students with a well rounded set of skills; but it also provides opportunities for participants to connect with employers and access exclusive job opportunities from our industry partners.

PROGRAM TIMELINE (7 MONTHS)

To successfully complete this program and receive the prestigious Certificate of Completion and professional certification on **AI & Data Science** from DICH I Academy, you must fulfill the following requirements:

- Attend all the required content and practice sessions organized by the program team (unless you have a valid reason for absence, i.e. unexpected health issues or family emergencies);
- Actively engage and participate in the sessions and workshops; and
- Approach every session with an open mind, a respectful demeanor, and be supportive of one another.

We are thrilled to welcome you to the **2026 Cohort of the Techpreneur Bootcamp** and witness your transformation into a well-rounded, employment-ready professional in full-stack development, and AI & Data Science. Please indicate your acceptance or rejection of this offer by ticking the appropriate box below, along with your signature, and return it to the DICH I Academy team by **08 June 2026**.

Yours sincerely,

Chanda Pen
